PART I--PUBLICATIONS

Section A--Functional (F) Requirements

1. Customers submit requirements to their PDOs/RPDOs; written justification must accompany order when requirements are submitted for publications that are available electronically. PDOs/RPDOs consolidate requirements and print for initial distribution only where paper requirements are fully justified. Superseded publications remain current until those listed below are published.

NOTE: "New publications not previously announced" contains only new publications that do not supersede previous publications. "Converted publications" lists those publications which are being issued under a new number and which supersede previous publications.

New publications not previously announced:

AFRCI33-203, Implementing AFRC Wireless Local Area Networks. OPR: SCPI. Distr: F. This instruction establishes AFRC guidance and responsibilities for implementing wireless networks in AFRC.

AFRCPD33-2, AFRC Wireless Local Area Networks Policy. OPR: SCPI. Distr: F. This directive establishes policy for the use of wireless local area networks (LAN) within AFRC. It provides guidance on the limited circumstances under which new wireless solutions should be implemented within AFRC.

Technical Order Supplements: Not used.

Converted publications: Not used.
